## Key Data:

- **Type:** Stereo (Duo), On-ear
- **Connection:** Bluetooth + USB dongle
- **Teams Certified:** Yes
- **Noise Cancelling Mic:** Yes
- **Replaceable Cushions:** Yes
- **Use Case:** Shared desks, hybrid agents

# EPSON

# Epos IMPACT 1060T Duo

High-performance stereo headset for open offices. Features adaptive noise cancellation, BrainAdapt™ AI microphone tech, and up to three device connections. Durable and hygienic with swappable parts and all-day comfort padding.

## Key Data:

- **Type:** Stereo (Duo), On-ear
- **Connection:** Bluetooth 5.2 + USB dongle
- **Teams Certified:** Yes (Open Office standard)
- **Mic:** AI-powered noise cancelling
- **Replaceable Cushions:** Yes
- **Use Case:** Busy call centers, hybrid setups

# EPSON

# Epos IMPACT 1030T (Mono)

Single-ear wireless headset for professionals who need awareness of their surroundings. Lightweight and discreet, with the same premium features of the 1060T series: AI noise-cancelling mic, Teams certification, and replaceable cushions for safe sharing.

## Key Data:

- **Type:** Mono, On-ear
- **Connection:** Bluetooth 5.2 + USB dongle
- **Teams Certified:** Yes
- **Mic:** AI noise cancelling
- **Replaceable Cushions:** Yes
- **Use Case:** Hot desking, flexible workspaces

# EPOS

# Jabra Evolve2 55 Stereo (Duo)

Stereo Bluetooth headset with active noise cancelling, dual microphones, and Jabra's signature Air Comfort design for extended use. Replaceable ear pads and 30-meter range make it ideal for dynamic, multi-user environments.

## Key Data:

- **Type:** Stereo (Duo), On-ear
- **Connection:** Bluetooth 5.2 + Link 380c USB-A
- **Teams Certified:** Yes
- **ANC:** Yes
- **Replaceable Cushions:** Yes
- **Use Case:** Long sessions, shared desks

**Jabra®**

# Jabra Evolve2 55 Mono

Mono version with the same comfort and tech as the stereo model. Lightweight, wireless, and suitable for high mobility and partially open call environments. Ear cushion is replaceable for hygienic turnover.

## Key Data:

- **Type:** Mono, On-ear
- **Connection:** Bluetooth 5.2 + Link 380c USB-A
- **Teams Certified:** Yes
- **ANC:** Yes
- **Replaceable Cushions:** Yes
- **Use Case:** Mixed-use areas, single-ear preference

**Jabra**<sup>®</sup>

# Yealink BH74 (Stereo)

Premium wireless headset for professional Teams environments. Vented memory foam cushions, 4-mic Acoustic Shield tech, and 50 m range. Sweat-resistant, with washable/replaceable parts for clean team use.

## Key Data:
